## Health and Safety Policy

West Inspection AS policy is that we take foremost account of Health & Safety of all individual and shall continuously define safe operating procedures to meet, or preferably exceed, all appropriate legal requirements.

West Inspection AS will assure training and education to employees according to applicable laws and regulations.

West Inspection AS goal is:

- Zero accidents.
- Prevent all occupational diseases and promote health of our employees.
- Create a healthy and safe working place for our employees and contractors.
- Maintain safe working practice
- Develop individual personal responsibility for Health & Safety.
- Continuously improve Health & Safety standards.

In order to achieve the above objectives of excellent Health & Safety performance the following effort are required by all employees:

- Act responsibly in order to prevent injury to themselves or fellow workers.
- Report any accident, dangerous occurrences, near miss or potential risk to Health & Safety and actively participate in any subsequent action and investigation.
- Ensure that all equipment provided in the interests of Health & Safety is readily available as required and properly used.

Anyone found to be violating this policy or refusing to cooperate, shall be subject to applicable lawful disciplinary action, up to and including termination.

West Inspection AS Health & Safety policy and objectives applies to its employees, contractors, consultants, client, suppliers, agents and other third parties engaged in work for, or acting on behalf of West Inspection AS.
